14. (Unclassified - JGO) Met with Frank Slatinshek, Chief Counsel of the House Armed Services Committee, and gave him a copy of the Agency's legislative package pending at OMB concerning the funding of the CIARDS program. I asked Slatinshek's indulgence in cutting off any questions that might be raised by members tomorrow during the hearing on the cost of living amendment to the CIARDS Act (S. 2714) regarding funding. I asked Slatinshek if he would pick up and respond to any such questions on the grounds that a detailed legislative proposal is pending full study by the Committee and will be brought up for Committee consideration as soon as clearance is obtained from OMB. Slatinshek said he would do his best.

15. (Confidential - JGO) As a follow-up of my earlier discussions with William H. Hogan, Jr., Counsel for the House Armed Services Committee, I told him that it is our understanding that follow-up on classified responses to FTD concerning the [REDACTED] allegations against FTD contains quite a bit of detail concerning Agency procedures in the handling of contacts with American scientists. I told him that we expected to request Air Force to delete these procedures and that we would supply such information separately as it is deemed necessary by the Committee. Hogan thanked me and said that he saw no problem if the Agency's detailed procedures were deleted from the Air Force response.

16. (Unclassified - RJK) Sam Singer, on the staff of Senator Thomas F. Eagleton (D., Mo.), called and asked that the Senator be deleted from the subscription lists for the [REDACTED] and [REDACTED]
